is now trying to achieve.

A Miss S., aged forty-two, suffering from t Johnnis G. and His Spaniel Thriving disease of the lower jaw, had had exsected a piece of the jawhone which left a gap of one Under Dr. Phelps's "Gra't." and one-half inches between the fragments.

Another Week Needed to Perfect her jaw was not only displaced and ter face the Operation.

Bone-Grafting Successes Recorded in Medical Histories.

Little Johnnie Gethius and his spaniel Yip began the second week of their engagement as were laid bare and well scraped. the Charity Hospital Slamese twins this mornng under more favorable auspices than ever. Dr. Phelps and his physicians are still unemmunicative regarding the case, but it is evident from their actions and complacent looks that they are confident that Yip's right having the periosteum, or outer coating, atleg bone is slowly but surely becoming part and parcel of Johnnie's shin, into which it was

grafted one week ago yesterday. Both patients passed a quiet Sunday, and Tip's nervousness, caused by the delirium of a noisy patient in a neighboring ward, has entirely disappeared. The dog has also developed a better appetite than she had during the latter part of last week and cats with more a way that the inner row had

The pulse of both patients was reported normal this morning, and they were resting cutaneous surface, the ends of the rows being quietly. The variety of Johnnie's menu has been increased by the addition of custard, of which he appears to be very fond.

Medical men are becoming more and more interested in the experiment, and many of of carbolized slik, the wound properly dreamed, them visit the hospital daily in hopes of seeing the celebrated pair, but all are disappointed at the courteous but firm refusal which meets their request for admittance to the room where Johnnie and Yip lie in conjoined state.

On his last visit Dr. Phelps was accompanied by two gentlemen, both physicians, but who they were no one at the hospital knows, and of course Dr. Pheips declines to reveal their identity or disclose the object of their visit, much less to say why they were admitted to the secret chamber while others are so rigidly excluded.

The condition of Yip's "understudy," the maniel kep in readiness to take Yip's place in case of accident or other emergency, is improving. She eats and sleeps well, and is gradually becoming accustomed to her surroundings.

The sore which appeared upon her thigh has turned out to be merely an abrasion, and not one resulting from any blood difficulty, and so all thoughts of securing another "under study" have been abandoned for the present

at least. As predicted in THE EVENING WORLD, no ex-

dog, and would naturally lend to weaken any anion of the bones if it has taken place, or interfere with the union if it has not yet had a hard two days' work in his Saturday and

No one can say definitely when an examinalon of the hoped-for union will be made, except Dr. Pacips himself, and all he will say

"I promised you the boy and dog when I am and Eighteenth street, and he didn't want to brough with them, and you are welcome to go. them so far as I am concerned; but you cannot get them for two or three weeks at least. the Gas-Pipe Cut.

Everything Fixed to Burn Up a Brooklyn Store and Residence.

Clothler Silverman Arrested on Suspicion for the Crime.

of the most despicable attempts at armon in interest of Mrs. Bouckault, for whom they Brooklyn was frustrated early this morning.

Joseph Silverman keeps a clothing and gents' apartments of 198 Columbia street. He left Avenue Thentre—so indignant, in fact, that his store at 5 o'clock yesterday afternoon.

At the same time, a half-grown rabbit was etherized and toth lemurs laid bare, and with a bone cutting forceps tweive small pieces of The other tenants of the house were bone, from two to six lin a to length, two to awakened shortly after midnight by an overpowering smell of gas, and when the police speculators, is a very substantial one. As broke into the place a few minutes later they tached, were removed from the epiphyseal discovered a two-gallon demijohn containing Mrs. Bouccault's benefit was being engineered a gallon and a halt of kerosche standing on by Mr. Miner and was to take These pieces or grafts were pisced in a soluthe top of a stove, in which a good fire was theatre, the Fifth Avenue, they noticed Mrs.

> John was burned through, and in a few minutes there would have been an explosion. The lead pipe connecting with the gas meter volume. Not four feet away, lying on the

floor, was a lighted kerosene lamp.

A pile of old paper covered the floor from alongside the stove to a row of shelving on the side, on which Silverman's goods were piled up. Another lighted lamp was found on a coun-

ter, and two gas gets were burning. The incendiaries also stuffed the keyholes with silk twist, and the cracks around the doors were closed with cheap satin, which had been stuffed in with a knife.

Fire Marshal Benjamin Lewis, who was on the scene shortly afterward, said the entire value of the goods and household furnishings would not exceed \$1,700. Lewis found in Silverman's possession in-

surance policies aggregating \$6,000. They were issued by the Jefferson Insurance Company, \$1.000; St. Paul, \$1,500; Royal, \$2,000, and Al-

Silvermai returned home at 3.45 o'clock this morning and was immediately placed under arrest. He said he had been over to New York and knew nothing about the affair.

Afterwards he told several contradictory stories as to how he obtained the oil.

Fire-Marshai Lewis says it is one of the most desperate attempts at arson he has had to deal with in ail his long experience.

The building is a three-story brick structure owned by Dr. J. J. Bennett, who resides with his wife and daughter on the floor over the store.

It. Bennett says that he amalind was in the same of the plays in which Mr. McLewis, one of perpendicular to the store.

A funny story is told at the expense of Burr McIntosh, the six-footed new-comer to Augustin Daly's company. At a refearable of one of the plays in which Mr. Daly. These instructions of Mr. Daly. These instructions of Mr. Daly. These instructions were ground together upon the stage awaiting the instructions of Mr. Daly. These instructions of surprise. You, Mr. Drew, one of treinmph. You, Mr. Lewis, one of perpexity:

"Mr. Daly?" asked Burr McIntosh, "Why. I really don't know what you could assume."

The Bennett says that he amalind was in the long of the plays in which Mr. McIntosh uppeared, the company were grounded together upon the stage awaiting the instructions of Mr. Daly. These instructions of Mr. Daly. These instructions of Mr. Daly. These instructions of Mr. Daly is company. At a refearable of one of the plays in which Mr. McIntosh, the six-footed new-comer to Augustin Daly's company. At a refearable of one of the plays in which Mr. McIntosh, the six-footed new-comer to Augustin Daly's company. At a refearable of one of the plays in which Mr. McIntosh, the six-footed new-comer to Augustin Daly's company. At a refearable of one of the plays in which Mr. McIntosh, the six-footed new-comer to Augustin Daly's company. At a refearable of one of the plays in which Mr. McIntosh, the six-footed new-comer to Augustin Daly's company. At a refearable of one of the plays in which Mr. McInt

As predicted in The Evening World, no exposure of the joining of Johnnie's and Yip's bones was made Saturday or Sunday, and the exposure witi probably not be made for another week at least.

Any examination of the supposed union would necessitate a fracture of the plaster cast which now unites the limbs of the boy and dog, and would naturally lend to weaken any significant was not in his usually and got into Silverman's store by using a store.

It is said that when "Nero" is withdrawn from Ninlo's (the management say it will resure that the early part of the evening. The family retired later, but he awoke almost stifled at 18, 10 or "The Habes in the Wood," now running at the Chicago Auditorum, will be the attraction. His morning.

He immediately went out and called Police-man's who sent out a call for assistance. Keevan went through the hallway to the yard dog, and would naturally lend to weaken any and got into Silverman's store by using

happy frame of mind this morning. He had ladder. There were no signs of a fire in Stiverman's living rooms, but as soon as the officer got into the store, he made the startling discovery. Sliverman was arraigned before Fire Marshal Lewis this morning, who took his sworn state Sixth Judicial District Court, Fourth evenue ment.

Silverman said he had kept a store at 198 did business at 61 East Broadway, this city. He claimed that he left the store at 5 o'clock yesterday afternoon with his wife and child.

home, 49 Canal street, where they remained tract, after the complainant had lost sundry An Evening World reporter has devoted and divers chances to go to work for some one until 2 o'clock. They then started for home and got there at 8.45, when Silverman wa

> have earned on Dec. 20, the end of the fast, "Did you expect to find your place afre?" asked Fire Marshal Lewis. had Sig. Succi permitted bim to perform his

"Oh, no, no, no, sir," answered Silverman. He could not teil whether he or his wife locked the door before leaving in the afternoon. He denied that he placed the cemijohn of oil

The lasting man didn't want to go to court that he put the meter-pipe, or that he put the man to day, so he sent a lawyer to get the case on the stove, that he cut the meter-pipe, or postponed.

But that was only "wan leetle trouble."

The man who sells tickets of admission at New York, but afterwards sai He declared that he had bought the oil in
